

## **SHEPHERD ELEMENTARY SCHOOL**

### **Minutes of Local School Advisory Team meeting of APRIL 18, 2012**

**Present:** Nancy Ulba (co-chair), Steven King, Joele Michaud, Valena Valentine-Nelson, Robyn Brooks, Lisa Connor, Jennifer Pauk, Jamie Miles and, briefly, Mary Thomas. Guest: Mark Pattison.

**Culture Committee:** The committee is working on a survey with hopes of having it out over the summer for feedback.

**Academic Committee:** Not much action since the previous meeting, but GeoPlunge materials were distributed.

**Transportation Committee:** Did not meet between LSAT meetings.

**Transition meeting:** The date has been set for Wednesday, June 6, 4 p.m., in the library for current and new LSAT members to convene.

**Principal's report:** The school is still trying to get registration forms. The registration fair is set for April 21 for kids who want to come.... The budget is better than last year's, but one teacher and one instructional coach position will be terminated. The custodians remain – that was the sacrifice to get what we needed.... There are three teachers retiring this year.... Admission numbers look good.... Remind parents every day to return the registration forms.

The meeting was adjourned.

Respectfully submitted,  
Mark Pattison
